## WEDDING PACKAGES

Imagine the romantic setting of getting married at the heart of a tropical island. A turquoise blue lagoon, the sound of the waves caressing the white sand beaches and the scents of the Indian Ocean sea, offer a rare taste of paradise for a lifetime of happy memories to make this celebration one you will cherish forever.

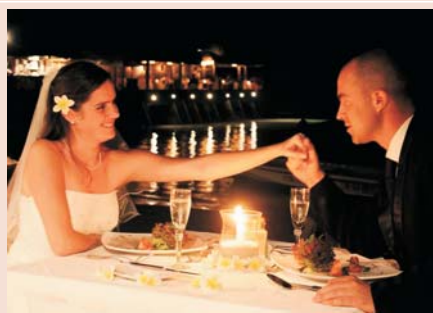

You may choose from several venues to make this event unique: the beach in the early afternoon or under the flaming colours of the sky at sunset, or in the lush and tropical gardens of our hotels to share this moment under a bit of shade.

We have the pleasure to offer you a variety of 3 wedding packages;
